Asia Bridge Program (ABP)

Shizuoka University's Asia Bridge Program (ABP or ABP-SU), in collaboration with local governments and global corporations headquartered in Shizuoka Prefecture, is designed to educate future global leaders for business and society. The mission is to foster globalization of the Shizuoka community and industry by cultivating and developing highly skilled individuals with a global vision. (For more details: <https://www.abp.icsu.shizuoka.ac.jp/eng/>)

To fulfill the goal of the ABP program, Shizuoka University offers the ABP tuition aid to students who are citizens of the following 16 countries and states, and do not have Japanese nationality. The aid covers the examination fee, the enrollment fee, and the first year's full tuition. The tuition waiver for the second year will be awarded according to each individual's academic performance during the first year. For 2024 October admission, maximum 20 students will receive 40,000 JPY per month for the first 12 months. All the applicants will be considered for this additional financial aid, and the 20 students will be selected according to their performance at the entrance examinations (document screening and interview examination).

The 16 countries and states are: Democratic Socialist Republic of Sri Lanka, Nepal, Republic of India, Kingdom of Thailand, Lao People's Democratic Republic, Malaysia, Mongolia, People's Republic of Bangladesh, People's Republic of China, Republic of Indonesia, Republic of Korea, Republic of Singapore, Republic of the Philippines, Republic of the Union of Myanmar, Socialist Republic of Viet Nam, and Taiwan.

For students who seek admissions to Graduate School of Integrated Science and Technology, but are **not citizens of the foregoing 16 countries and states**, please refer to the other general application guide for international (non-ABP) students.

Our Vision

Freedom and Enlightenment & Creating of the Future

A university with an active presence promoting high-quality education and creative research that collaborates and grows together with society.

(For more details: <https://www.shizuoka.ac.jp/english/outline/vision/mission/>)

Our Mission

Education

Shizuoka University will cultivate learned individuals who are endowed with a sense of responsibility for the future of the Earth, an international outlook, a high level of specialized knowledge, the spirit to take on challenge without fear of failure, and a rich humanity.

Research

Shizuoka University strives toward scholarship that can contribute at all levels to worldwide peace and the prosperity of humankind through the pursuit of academic research which is abounding with creativity.

Social Collaboration

Shizuoka University will contribute to society by working hand-in-hand with local communities, addressing earnestly the various problems which society faces, and functioning as a beacon tower for the promulgation of culture and science.

Our Departments and Education

● **Department of Informatics**

In the Department of Informatics, we cultivate students who are ready to join society as advanced professionals, equipped with expertise and problem-solving skills in ever-changing information technology and society. Such students are not only capable of contributing to the realization of a desired information society, but also to harmonious developments between human beings, and information technology. We seek students who will contribute to the creation of new information cultures.

Education

Along with the interdisciplinary education/research of informatics that integrates and unifies information science, system and sociology, we provide the students with systematic and specialized education programs in computer science, information systems, and information society design.

● **Department of Science**

The Department of Science aims to train individuals with problem-solving skills who are able to apply fundamental science to advance the study of science and technology. Our curriculum places emphasis on the importance of students' involvement in advanced academic research in order to foster their scientific thinking to seek truth for the sake of the enrichment of humankind. Our education also aims to develop students' ability to take action, think insightfully, and improve technology, while assisting diverse needs of society. Our mission is to seek out an essential understanding of reality and to perform academic research that is inspired by innovation. We cultivate and develop highly-skilled individuals who have mastered the erudite scholarship needed in advanced technology and research.

Education

We aim to cultivate well-trained individuals who possess advanced expert potential and the ability to perform creative research. We develop students' multifaceted views through requirement and elective courses that highlight foundational theories in order to enhance their skills to solve issues in the field. Our curriculum stresses systematic links between lectures, seminars, and research, and faculty members provide students meticulous advice on courses and research.

● **Department of Engineering**

The Department of Engineering educates socially-conscious individuals with the ability to identify and solve real-life issues by effectively and responsibly engaging in the practice of the engineering profession. Students are trained to become local and global leaders who contribute to the enrichment of future society as well as the advancement of the field of engineering and technology, leading to engineering innovation and partnerships with industry.

Education

Our education aims to raise students' social sensibilities, global awareness, and level of leadership in this diverse society. We train students to produce new and innovative technology and solutions that contribute to all fields of science and engineering. Students experience and participate actively in cutting-edge researches in a wide range of areas conducted in the Department of Engineering.

- **Department of Agriculture**

Providing sufficient food, clothing, and housing in better ways is the fundamental idea of the research we conduct and the courses we teach at the Department of Agriculture. We work to develop the theoretical foundation and improve the technologies that are critical in achieving this fundamental goal. Based on environmental science and bioscience, we offer education for individuals who can contribute to the sustainable development of our community and the world at large.

Education

Our education helps students grow as expert professionals while acquiring profound understanding of the connections between their studies and related industries and how those connections form the backbone of their future research. With emphasis on experiments and laboratory work, our students acquire foundational knowledge and practical skills which are critical for the advancement of the field as well as the local and global communities. Students also acquire broad knowledge of cutting-edge work in the natural sciences, well-balanced ethics, and perspectives as engineers in their own and related fields.

- **Interfaculty Graduate School of Mountain Watershed**

In recent years, various problems, such as the loss of natural ecosystems, frequent disasters, depopulation and industrial decline, become serious in watersheds, which have headwaters in mountainous areas, because of the climate change and transformation of society. All of these problems are caused by the relationship between the natural environment, such as ecosystems and material cycles, and human activities, such as society and economy. It is necessary to take a comprehensive view of the entire watershed in order to solving such problems. Therefore, the Interfaculty Graduate School of Mountain Watershed develops human resources who can solve the problems of watersheds by conducting education and research in a wide field of study, including natural, economic, and social sciences.

Education

The Interfaculty Graduate School of Mountain Watershed conducts interdisciplinary education, including natural, economic, and social sciences. As a result, our graduate school develop experts who has knowledges in natural science as well as the ability to build consensus, and a perspective on the economy and society. We develop human resources who can solve the problems in mountain watershed, such as the loss of natural ecosystems, frequent disasters, depopulation and industrial decline.

I. 2024 October Admissions Overview/Capacity

Department	Course	Number of Students for October 2024 Admissions
Informatics (Hamamatsu Campus)	Informatics	Total 40*
Science (Shizuoka Campus)	Mathematics Physics Chemistry Biological Science Geosciences	
Engineering (Hamamatsu Campus)	Mechanical Engineering Electrical and Electronic Engineering Electronics and Materials Science Applied Chemistry and Biochemical Engineering Mathematical and Systems Engineering Management of Business Development	
Agriculture (Shizuoka Campus)	Bioresource Sciences Applied Life Sciences	
Interfaculty Graduate School of Mountain Watershed (Shizuoka Campus)		

* Under any circumstances, even if the number of applicants who passed this entrance examination is less than the indicated number above, no additional successful applicants will be announced, or no additional entrance examinations will be scheduled.

II. Eligibility Requirements

Applicants must fulfill all eligibilities 1), 2) and 3):

- 1) Do not have Japanese nationality.
- 2) Have nationality of at least one of the following countries and states:

Democratic Socialist Republic of Sri Lanka	Nepal
Republic of India	Kingdom of Thailand
Lao People's Democratic Republic	Malaysia
Mongolia	People's Republic of Bangladesh
People's Republic of China	Republic of Indonesia
Republic of Korea	Republic of Singapore
Republic of the Philippines	Republic of the Union of Myanmar
Socialist Republic of Viet Nam	Taiwan

- 3) Applicants also must fulfill either of the eligibility a) OR b) indicated below:

a) Have completed at least three academic years of university education curricula outside Japan and have a bachelor's degree or an equivalent certificate (Or expected to complete by September 30, 2024).

b) In case a) is not satisfied, the applicants must have been reviewed and approved by either of the Departments (Informatics, Science, Engineering or Agriculture at the Graduate School of Integrated Science and Technology) or Interfaculty Graduate School of Mountain Watershed to have the eligibility, e.g. Preliminary review of eligibility requirement. Note that graduates of Japanese universities or students who are expecting to graduate from Japanese universities are not eligible.

Applicants who wish to apply with **the Eligibility Requirement 3b)** must submit the required documents to the department for the Preliminary Review of the eligibility. Each department provides its own form for the preliminary review. Please first email to the department you want to apply between Monday, December 11, 2023 and Friday, January 12, 2024 and ask for the procedure. Failure to request the Preliminary Review and not fulfilling the Eligibility Requirement 3b) will result in losing the eligibility to apply for the October 2024 admissions. After emailing to the department, you will be asked to fill the designated form, and submit the necessary documents to mail them by post. All the documents must arrive at Shizuoka University no later than Friday, January 26, 2024. Please note that the requirement of each department is different. The result of the Preliminary Review will be notified by Thursday, February 22, 2024.

The examination fee is not required at the time of the Preliminary Review. The departments' email addresses are listed as follows:

- Department of Informatics (Hamamatsu Campus)

[k-inf\[a\]adb.shizuoka.ac.jp](mailto:k-inf[a]adb.shizuoka.ac.jp)

- Department of Science (Shizuoka Campus)

[k-sci\[a\]adb.shizuoka.ac.jp](mailto:k-sci[a]adb.shizuoka.ac.jp)

- Department of Engineering (Hamamatsu Campus)

[k-eng\[a\]adb.shizuoka.ac.jp](mailto:k-eng[a]adb.shizuoka.ac.jp)

- Department of Agriculture (Shizuoka Campus)

[k-agr\[a\]adb.shizuoka.ac.jp](mailto:k-agr[a]adb.shizuoka.ac.jp)

- Interfaculty Graduate School of Mountain Watershed (Shizuoka Campus)

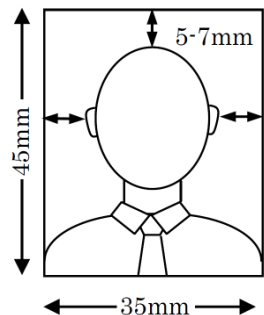

[k-mou\[a\]adb.shizuoka.ac.jp](mailto:k-mou[a]adb.shizuoka.ac.jp)

III. How to Apply

Applicants must submit all the documents listed in the following table through the online application system. If any information has not been completed and/or any fraudulent or inaccurate information is found, the application will not be accepted.

If the application contains any fraudulent or otherwise untrue information, admission may be revoked even after it is granted.

1. List of Required Documents

No.	Document	Note	
1	Application Form	<ul style="list-style-type: none"> - Fill out all the necessary information in the online application form. - Enter the name as it appears in English in the applicant's passport picture page(s) or a national identification card. - Enter the applicant's educational background (since high school enrollment) and work history completely. - If there is a gap exceeding three months in the academic and work history, a gap explanation is required. 	
2	Photo	<ul style="list-style-type: none"> - Follow the size shown below, and include 5mm to 7mm margins from the frames to the head. - Must be a front-facing bust portrait with headwear removed, and taken within three months prior to the application. - Portrait with headwear is acceptable only for the religious reason and the face must be shown clearly. - The image resolution must be 150 dpi or higher. <div style="text-align: center;">  <p>Photo Size</p> </div>	
3	Copy of Passport	<ul style="list-style-type: none"> - Submit a copy of the applicant's passport picture page(s) indicating the name, date of birth, gender, and nationality. - If the applicant does not have a passport, submit a copy of the national identification card (as a proof of the applicant's nationality), or a copy of proof (receipt) of the passport application first. Submit the copy of the above mentioned page as soon as you get your passport. 	
4	Academic Transcripts of University (undergraduate course)	1 st year	<ul style="list-style-type: none"> - The transcripts must be official, bearing the university seal and a signature of the authorized responsible person. - The authorized person's title and date of issue must also be stated.
5		2 nd year	<ul style="list-style-type: none"> - The course names must be clearly indicated. - Transcript of the fourth or final year must include all the subjects completed at the time of the application (including partial scores/grades from any ongoing terms/semesters if available).
6		3 rd year	<ul style="list-style-type: none"> - If the duration of the university (higher) education is less than four years, and the applicant does not have the four transcripts, upload as many as possible.
7		4 th year	<ul style="list-style-type: none"> - Cumulative GPA (an average of all the grades which the applicant has received throughout the undergraduate course) should be attached.

8	Graduation Certificate/Expected Graduation Certificate, or Bachelor Degree Certificate	<ul style="list-style-type: none"> - Applicants who have already graduated from university must submit the graduation certificate or the bachelor degree certificate. - Applicants who have already graduated from university and hold a “provisional” degree certificate must explain the reason you have yet to receive the permanent degree certificate and when to receive it. (Type the explanation in the text box provided in the online application site.) - Applicants who are currently attending university must submit the expected graduation certificate stating the expected graduation date. (Note that successful applicants are required to submit a diploma or certificate of completion of the bachelor’s course during the Shizuoka University registration.) - All the certificates must be official, bearing the university seal, and a signature of the authorized responsible person. - The authorized person's title and date of issue must also be stated.
9	Certificate(s) of Proficiency of English Language (Applicants from non English native countries only)	<ul style="list-style-type: none"> - Submit a copy of one of the Score Reports from revised <i>TOEFL</i>® Paper-delivered Test, <i>TOEFL iBT</i>®, <i>TOEFL ITP</i>®, <i>TOEIC</i>® L&R, <i>TOEIC</i>® L&R IP or IELTS (academic or general) tests taken after March 2022. - Applicants who do not have the test score, submit a letter certifying the applicant’s English language proficiency or the one proving that the applicant’s bachelor’s degree was taught using English as a medium of instruction. The letter (A4, 1 page) must be issued by the applicant’s current/former academic supervisor within the last 12 months. No specific form is provided, but the university seal or the supervisor’s handwritten signature, and the date of issue must be included.
10	Summary of Graduation Thesis, or Past Research Experience	<ul style="list-style-type: none"> - Must be written in English, and should not exceed 1,000 words. - Type the summary directly in the text box provided in the online application site. Submission by an electronic file is NOT accepted.
11	Research Plan Essay	<ul style="list-style-type: none"> - Make sure to include sufficient information about the research plan for the master thesis at Shizuoka University. - The motivation to pursue further education in the graduate school and desired career path after graduation should also be explained. - Must be written by applicants themselves in English, and should not exceed 1,000 words. - Type the essay directly in the text box provided in the online application site. Submission by an electronic file is NOT accepted.

12	Letter of Reference	<ul style="list-style-type: none"> - Must be written within the last 12 months by a referrer (the applicants' current or former academic supervisor or professor) who knows the applicant well. Only one letter is required. - The letter should mention the following items; <ul style="list-style-type: none"> - the applicant's academic ability - personal quality - the applicant's English proficiency (e.g. B2 level and above on the CEFR framework) - period of mentorship with the referrer - total units earned from the referrer - the applicant's rank in the class - The referrers are required to register themselves on the online application system, and upload the letter within the application period. - A handwritten signature of the referrer, and the date of issue must appear in the letter.
----	---------------------	---

* TOEIC, TOEFL, TOEFL iBT and TOEFL ITP are registered trademarks of Educational Testing Service (ETS). This publication is not endorsed or approved by ETS.

[IMPORTANT]

All the documents including the passport/national identification card must be issued in Japanese, English, or with English alongside the native (original) language. If any of documents are issued neither in Japanese or English, then they must contain the English translation that has been notarized by the university, an embassy, or a notary office.

2. Course and Department to Apply

Please refer to the section I. “2024 October Admissions Overview/Capacity” on page 5. As of 2024 admissions, the second-choice option is no longer available for all the departments. Applicants may choose one course and one prospective academic supervisor only.

Applicants for the departments of Informatics, Science, Agriculture, and Interfaculty Graduate School of Mountain Watershed are required to have contacted a prospective academic supervisor and obtained approval in advance. Applicants for the department of Engineering are encouraged to contact a prospective academic supervisor and obtain approval in advance. Faculty members that students wish to receive supervision can be found in the list at the end of this application guide.

3. Online Application System

All the application documents are accepted only through the online application system. Any mailed or submitted-in-person documents will not be accepted. Applicants must follow the on-screen directions on the website, which will be opened at the beginning of the application period. Please check our website frequently for updates:

<https://www.abp.icsu.shizuoka.ac.jp/eng/>

When you submit your application form, you will receive a completion notice via email. However, you will receive an incompleteness notice when you submit your application after the deadline.

If you encounter any technical errors or do not receive the completion notice, please contact at the following email address:

[abpexam\[a\]adb.shizuoka.ac.jp](mailto:abpexam[a]adb.shizuoka.ac.jp)

ABP admissions office,

Organization for International Collaboration, Shizuoka University

4. Application Period

Monday, March 11 to Friday, March 15, 2024

(The application website opens at noon, Japan time on the first day of period, and closes at noon on the last day.)

IV. Selection Procedure

The first round selection is based on a comprehensive review of all documents submitted by the applicants. Only the successful applicants will be invited to an internet interview examination for the second round selection. The final decision will be made by the examination committee, based on an overall assessment of both interview examination and evidence provided in the application documents.

1. First Round Selection (Document Screening)

The first round selection will be based on each applicant's submitted documents. The result of the first round selection will be announced on the following departments' websites on Tuesday, May 7, 2024:

- Department of Informatics

<https://www.inf.shizuoka.ac.jp>

- Department of Science

<https://www.sci.shizuoka.ac.jp>

- Department of Engineering

<https://www.eng.shizuoka.ac.jp>

- Department of Agriculture

<https://www.agr.shizuoka.ac.jp>

- Interfaculty Graduate School of Mountain Watershed

<https://wpp.shizuoka.ac.jp/sangakuryuwiki/>

2. Second Round Selection (Interview Examination)

For applicants who have passed the first round selection, the second selection will be an online interview examination through internet (such as Zoom). The interview examination will be scheduled between Monday, May 20 and Friday, May 31, 2024, and each applicant will be contacted for the details via email. Applicants are required to secure high-speed internet access at the time of the interview examination.

V. Notification of Final Result

Wednesday, June 12, 2024

The result will be announced on the following departments' websites. Successful applicants will also be notified via email.

- Department of Informatics

<https://www.inf.shizuoka.ac.jp>

- Department of Science

<https://www.sci.shizuoka.ac.jp>

- Department of Engineering

<https://www.eng.shizuoka.ac.jp>

- Department of Agriculture

<https://www.agr.shizuoka.ac.jp>

- Interfaculty Graduate School of Mountain Watershed

<https://wmp.shizuoka.ac.jp/sangakuryuwiki/>

VI. University Registration and Enrollment Period

Deadline of the Letter of Commitment: Friday, June 21, 2024

Registration: Late September 2024

Enrollment: Tuesday, October 1, 2024

VII. Important Reminders

1. Enrollment Fee and Tuition

Enrollment Fee: 282,000 JPY (As of 2023)

Tuition Fee: 535,800 JPY (As of 2023)

The enrollment fee and the first year's full tuition are waived for students who are eligible for the ABP tuition aid. The tuition waiver for the second year will be awarded according to each individual's academic performance during the first year.

Tuition and other fees for the Shizuoka University admissions are standardized and determined by the Ministry of Education, Culture, Sports, Science and Technology, Japan. If the tuition is increased while school is in session, the new amount shall apply from the date that becomes in effect.

2. Other Initial Expenses at the Time of Enrollment

Department	Expense	Amount (JPY) (As of 2023)
Informatics	Student welfare society fees	12,430
Science	Welfare society fees	10,000
Engineering	Miscellaneous expenses	11,430
Agriculture	Supporter's association fees	12,430
Interfaculty Graduate School of Mountain Watershed	Miscellaneous expenses	2,430

*Amounts are subject to change.

The other initial expenses at the time of enrollment listed above are for the associations in which students are to join by understanding the purposes, and that provide them with educational and other-related assistances. In addition, all students of Shizuoka University are enrolled in "Personal Accident Insurance for Students Pursuing Education and Research" to prepare for any unexpected incidents during the course of the regular curriculum. The costs for this insurance are included above.

Personal Accident Insurance for Students Pursuing Education and Research

This insurance covers disasters and accidents met by students during educational and research activities (e.g. the course of regular curricula, school events, extracurricular activities, and a break on campus), and while commuting (including from home to campus for regular curricula, school events, and extracurricular activities, and from facility to facility on campus). The Japan Educational Exchanges and Services maintain this insurance policy as a national mutual-aid system. All students at Shizuoka University are enrolled in this insurance.

Personal Liability Insurance for Students

In addition to the insurance above, liability insurance for students are also strongly recommended for all students. It covers 24 hours a day, wherever you are (on-campus, off-campus, even when you are traveling back to your country). For application, go to the University CO-OP.

Price 3,000 JPY (University CO-OP membership fee) + Insurance fee 4,520 JPY (2 years)

* University CO-OP membership fee (3,000 JPY) will be returned when you graduate.

3. Personal Expense in Campus Life

Living cost should be covered by personal expense. It will cost around 70,000 JPY to 80,000 JPY per month in Shizuoka, including housing, food, utilities and others. Please refer to the following website for the University dormitories:

<https://www.abp.icsu.shizuoka.ac.jp/eng/>

<https://www.suoic.shizuoka.ac.jp/english/international/dwelling/>

4. Requests for disclosure of examination results

Applicants who failed the second round selection can make a request for the disclosure of their entrance examination results. For questions regarding these requests, please contact the following office during the request period: Friday, November 15 - Monday, December 16, 2024:

Admissions Section, Student Affairs Division

Telephone: +81 - (54) - 238 - 4464

Email: [exam-result\[a\]adb.shizuoka.ac.jp](mailto:exam-result[a]adb.shizuoka.ac.jp)

836 Ohya, Suruga-ku, Shizuoka-shi, Shizuoka, 422-8529 Japan

5. Handling of Personal Information

Personal information is handled in accordance with the “Act on the Protection of Personal Information Held by Incorporated Administrative Agencies, etc.,” and the “Shizuoka University Code on Personal Information Management” in the following manners:

- (1) Personal information recorded on all application documents will be used for (a) selecting new students (processing application and making selections), (b) announcing the results, (c) processing registration, and (d) investigating admission selection methods and university education improvements.
- (2) The examination results in admission selection will be used in compiling materials for the investigation of future admission selection methods.
- (3) Personal information for new students will be used for work related to (a) educational affairs (student registration, learning assistance, etc.), (b) student support (health care, tuition exemption and scholarship applications, employment support, etc.), and (c) tuition collection.
- (4) For the (1) and (2) above, some duties may be undertaken by contractors entrusted by the university. The contractors will be provided with some or all personal information only to the extent needed to complete the said duties.

6. Contacts

For questions regarding the application guide and entrance examination, please email to the following office(s):

- Department of Informatics (Hamamatsu Campus)

[k-inf\[a\]@adb.shizuoka.ac.jp](mailto:k-inf[a]@adb.shizuoka.ac.jp)

- Department of Science (Shizuoka Campus)

[k-sci\[a\]@adb.shizuoka.ac.jp](mailto:k-sci[a]@adb.shizuoka.ac.jp)

- Department of Engineering (Hamamatsu Campus)

[k-eng\[a\]@adb.shizuoka.ac.jp](mailto:k-eng[a]@adb.shizuoka.ac.jp)

- Department of Agriculture (Shizuoka Campus)

[k-agr\[a\]@adb.shizuoka.ac.jp](mailto:k-agr[a]@adb.shizuoka.ac.jp)

- Interfaculty Graduate School of Mountain Watershed (Shizuoka Campus)

[k-mou\[a\]@adb.shizuoka.ac.jp](mailto:k-mou[a]@adb.shizuoka.ac.jp)

Note: We do NOT respond to inquiries on Saturdays, Sundays and the public holidays.
--

7. Security export control

Shizuoka University has established the "Shizuoka University Security Export Control Regulations" based on the "Foreign Exchange and Foreign Trade Act" and conducts strict examinations when accepting foreign students. Please note that the students may not be able to receive the desired education or conduct a research if they fall under the regulations.

How to find your prospective academic supervisor in Shizuoka University

Based on your research interests, choose a prospective academic supervisor with whom you wish to work. For the names and research expertise of the professors, please visit the given website and refer the attached list below. Applicants for the departments of Informatics, Science, Agriculture, and Interfaculty Graduate School of Mountain Watershed must contact their preferred professor and obtain his/her approval in advance. Applicant for the department of Engineering are encouraged to contact their preferred professor beforehand and consult the applicant's research plan.

* When you email, please add “shizuoka.ac.jp” at the end of the professors' email addresses (For example, “abpexample[a]” should be replaced with “abpexample@shizuoka.ac.jp”).

Prof.	Imaizumi, Fumitoshi	imaizumi[a]	Sediment disaster, Geomorphology, Hydrology	https://sites.google.com/site/imaizumimj/
Prof.	Wang, Quan	wang.quan[a]	Remote sensing, Gas exchange models, Global change	https://www.shizuoka.ac.jp/macroecology/
Assoc. Prof.	Sonobe, Rei	sonobe.rei[a]	Remote sensing applications	https://www.shizuoka.ac.jp/macroecology/
Assoc. Prof.	Iio, Atsuhiko	iio.atsuhiko[a]	Forest eco-physiology, Forest carbon cycle	https://www.shizuoka.ac.jp/silviculture/
Assoc. Prof.	Naramoto, Masaaki	naramoto.masaaki[a]	Forest ecology, Tree physiology, Gas exchange	https://www.shizuoka.ac.jp/silviculture/

Assist. Prof.	Egusa, Tomohiro	egusa.tomohiro[a]	Forest hydrology, Biogeochemistry, Evapotranspiration, Water chemistry, Water resources	https://www.shizuoka.ac.jp/foresthydrology/
Assist. Prof.	Takayama Shoki	takayama.shoki[a]	Erosion control engineering Sediment hydraulics	https://www.shizuoka.ac.jp/takayama-lab/
